Dear Tami

The SASREG task committee on egg donation agencies has made ethical guidelines for egg donation agencies. This task committee consists out of Dr Igno Siebert, Dr Sulaiman Heylen and Dr Mervyn Jacobson. The guidelines were formulated on the SASREG meeting of 03 December 2011 with the support of the SASREG chairman Dr Paul le Roux.

If you agree to these guidelines your agency will be accredited by SASREG and the name of your agency will be published on the SASREG website. Please sign the guidelines, have it witnessed, sign (initial) every single page and send it back to us.

The SASREG members and SASREG accredited IVF-clinics are recommended only to work with the accredited egg donation agencies.

On behalf of the SASREG task committee on egg donation agencies.

**Obstetrician and Gynaecologist**
